

# OUR LUXURY RESORT RENTALS VS HOTELS

With 8,200 Luxury Resort properties, members soon discover Resorts are a great alternative to hotels given the benefits of space, privacy, and added amenities. Our Resort Club rentals offer additional space for less cost per night than a typical budget hotel room. Amenities offered by Resort Club rentals often include washers and dryers, full kitchens (so you can save money by dining in), DVD players, patios, balconies and some with their own private pools.
